For Harley-Davidson aficionados, the very name Sportster conjures an image of a fire-breathing mechanical beast scorching the world's tarmac image the Sportster itself often does not live up to. Straight from the factory, in its standard form, the Sportster routinely proves an entry-level motorcycle providing a relatively tame ride. This book aims to change all that and to show every Sportster rider how to free the beast in his or her bike. With expert, detailed advice on the proper mechanical massaging and plenty of helpful diagrams and photos this updated, third edition of Buzz Buzzelli's best-selling

handbook shows how the Sportster can be transformed into the superbike of old. Including a history of the Sportster from its birth in 1957 to the recent introduction of a new engine (only the third in its long life), this book has everything it takes to open up the gates of hell and give the Sportster its head.

Harley-Davidson riders are a close-knit community that loves good food. The official motto of Harley riders may be "Live to Ride, Ride to Live," but the unofficial motto is "Eat to Ride, Ride to Eat." To help celebrate the 100th anniversary of Harley-Davidson in 2003, Bill Hufnagle, aka Biker Billy, collected 200

righteous recipes from HOG (Harley Owners Group) members and other Harley enthusiasts from sea to shining sea whose close-second passion is a fantastic, stick-to-your-ribs meal with no holds barred. There are plenty of Billy's own favorites included, too. Here and only here are recipes for Nana's Famous Horseradish Cheese Spread, Grandpa's Oil Can Stew, Penne with Crankcase Vodka Sauce, Black Leather Tostadas, and John's Prison Break Cake. This is torqued-up-tasty food from a bunch of adventure-loving riders that's certain to appeal to the more than five million Harley riders across the U.S.A.
