The parable of the broken window was introduced by French economist Frédéric Bastiat in his 1850 essay "Ce qu'on voit et ce qu'on ne voit pas" to illustrate why destruction, and the money spent to recover from destruction, is not actually a net benefit to society. The parable seeks to show how opportunity costs, as well as the law of unintended consequences, affect economic activity in ways that are unseen or ignored. The belief that destruction is good for the economy is consequently ...

~~Parable of the broken window — Wikipedia~~

The broken windows theory is a criminological theory that states that visible signs of crime, anti-social behavior, and civil disorder create an urban environment that encourages further crime and disorder, including serious crimes. The theory suggests that policing methods that target minor crimes, such as vandalism, loitering, public drinking, jaywalking and fare evasion, help to create an ...

The true story of the intimate relationship that gave birth to the Farnsworth House, a masterpiece of twentieth-century architecture--and disintegrated into a bitter feud over love, money, gender, and the very nature of art. "An amazing story, brilliantly told."--Sebastian Smee, Pulitzer Prize-winning art critic and author of *The Art of Rivalry* In 1945, Edith Farnsworth asked the German architect Mies van der Rohe, already renowned for his avant-garde buildings, to design a weekend home for her outside of Chicago. Edith was a woman ahead of her time--unmarried, she was a distinguished medical researcher, as well as an accomplished violinist, translator, and poet. The two quickly began spending weekends together, talking philosophy, Catholic mysticism, and, of course, architecture over wine-soaked picnic lunches. Their personal and professional collaboration would produce the Farnsworth House, one of the most important works of architecture of all time, a blindingly original structure made up almost entirely of glass and steel. But the minimalist marvel, built in 1951, was plagued by cost overruns and a sudden chilling of the two friends' mutual affection. Though the building became world famous, Edith found it impossible to live in, because of its constant leaks, flooding, and complete lack of privacy. Alienated and aggrieved, she lent her name to a public campaign against Mies, cheered on by Frank Lloyd Wright. Mies, in turn, sued her for unpaid monies. The ensuing lengthy trial heard evidence of purported incompetence by an acclaimed architect, and allegations of psychological cruelty and emotional trauma. A commercial dispute litigated in a rural Illinois courthouse became a trial of modernist art and architecture itself. Interweaving personal drama and cultural history, Alex Beam presents a stylish, enthralling narrative tapestry, illuminating the fascinating history behind one of the twentieth-century's most beautiful and significant architectural projects.

Cites successful examples of community-based policing

Broken Windows of the Soul: The "Broken Windows Theory" suggests that a community can reduce crime and maintain social order when small problems are fixed promptly. Alternatively, minor vandalism (such as broken windows) left unrepaired, sends the message that no one cares—inviting more serious crimes. Fleagle and Lichi have applied this theory to the problem of sexual temptation and moral failure. Broken Windows of the Soul reveals the destructive nature of infidelity, sexual perversion and pornography and its effect on the culture and the church. Unless the cracks are quickly repaired, more "broken windows of the soul" are soon to follow. Fleagle and Lichi teach the regular practice of spiritual disciplines to transform the heart and experience deep character change. Each chapter includes questions for individual or group study.

Chasing down a vicious serial killer who complicates his crimes by leaving behind iron-clad evidence implicating innocent people, Lincoln Rhyme and Amelia Sachs reluctantly team up for the investigation only to find themselves rendered the killer's next targets. By the author of The Cold Moon. 300,000 first printing.

Full of vibrant, energetic and explosive images, Broken Windows Graffiti NYC documents the flowering of the graffiti movement of the post-train era. In the 1980's graffiti was pushed out of the subways as the trains were cleaned once and for all. In the 1990's, much of the graffiti action in New York migrated to the city's walls, enabling the 'writers' to execute more refined and concept-driven large-scale pieces. By the end of decade, this new medium was being used to great effect. Photographers James & Karla Murray took great pains to faithfully capture an unprecedented re-birth of the movement documenting the most significant murals created between 1996 2001. Broken Windows contains insightful interviews, an extensive selection of women's graffiti, and features the work of more than 180 artists from The United States, Germany, France, Sweden, Finland, Denmark, Holland, Italy, and Norway.

A powerfully written novel offering an intimate look at a beautiful marriage and how bipolar disorder and cancer affect it, Dancing on Broken Glass by Ka Hancock perfectly illustrates the enduring power of love. Lucy Houston and Mickey Chandler probably shouldn't have fallen in love, let alone gotten married. They're both plagued with faulty genes—he has bipolar disorder, and she has a ravaging family history of

breast cancer. But when their paths cross on the night of Lucy's twenty-first birthday, sparks fly, and there's no denying their chemistry. Cautious every step of the way, they are determined to make their relationship work—and they put it all in writing. Mickey promises to take his medication. Lucy promises not to blame him for what is beyond his control. He promises honesty. She promises patience. Like any marriage, they have good days and bad days—and some very bad days. In dealing with their unique challenges, they make the heartbreaking decision not to have children. But when Lucy shows up for a routine physical just shy of their eleventh anniversary, she gets an impossible surprise that changes everything. Everything. Suddenly, all their rules are thrown out the window, and the two of them must redefine what love really is. An unvarnished portrait of a marriage that is both ordinary and extraordinary, *Dancing on Broken Glass* takes readers on an unforgettable journey of the heart.

SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. Lincoln Rhyme faces “an Orwellian nightmare” (*The New York Times*) as a twisted techno-genius destroys lives with impunity by stealing personal information from behind the impenetrable walls of cyberspace. Rhyme's cousin Arthur has been arrested on murder charges, and the evidence against the estranged relative Lincoln hasn't seen in years is perfect—too perfect. Lincoln and his partner Amelia Sachs piece together a deadly pattern of similarly vicious frame-ups that leads them to the imposing Strategic Systems Datacorp—and a master of identity theft and manipulation known only as “522.” But cracking this ingenious killer's realm places Rhyme and Sachs exactly where “522” wants them—in line to be the next victims.
