Should You Buy a High Mileage Car? Doing This Will Save You Thousands When Buying a Used Car Buying Used Cars Mileage Guide

If the car is well-maintained and has a full-service history, buying a used car with over 100k miles on the clock might not be a bad thing at all.

However, it's essential that you're aware of the potential risks of buying a car with a higher mileage, and that it could mean certain issues present themselves more readily than on a car with less miles.
