We keep the baby chicks in our classroom for about one week after they hatch and after that, they go to their forever homes to enjoy the rest of their little lives. A Cute Little Video to Get Them Excited.

This is a great video to show your kids as they eagerly await the hatching of their chicks. It's hard for kids to understand what is happening inside the egg and this short video does a fantastic job highlighting the embryo development over the 21-day incubation period.
