“Reading” more than words. In sixth grade, reading includes more than just words. Kids need to integrate information from a wide variety of visual, oral, quantitative, and multimedia formats, including graphs, charts, maps, tables, slide shows, speeches, interviews, and videos. This is different than years past, when academics only included the written form and non-written assignments were the fun stuff.

for teachers in every content area. It also keeps the focus on instruction that's meaningful to adolescents and that supports deep engagement with literacy and your subject-area content. "I wanted to honor the intent of the standards," writes author Gretchen Owocki, "and at the same time respect the fact that students are eleven, twelve, and thirteen years old only once in their lives." Gretchen has matched sensible, step-by-step teaching strategies to the 10 reading anchor standards, giving you instructional choices that you can match to your students' needs, your goals for their development as readers, and your content-area's key texts. Whether you are a skilled teacher of reading or new to it, Gretchen pays special
