Deltora is a land of monsters and magic ... The evil Shadow Lord is plotting to invade Deltora and enslave its people. All that stands against him is the magic Belt of Deltora, with its seven gems of great and mysterious power. When the gems are stolen and hidden in dark, terrible places throughout the kingdom, the Shadow Lord triumphs and Deltora is lost. In secrecy, with only a hand-drawn map to guide them, two unlikely companions set out on a perilous quest. Determined to find the lost gems and rid their land of the tyrant, they struggle towards their first goal-the sinister Forests of Silence.

The Deltora series is an exciting, well-written, carefully planned series of fantasy novels. As well as being an adventure quest, the tales have incorporated into their storyline a number of puzzles, both verbal and mathematical. Once introduced to the series, a reader is sure to want to continue through to the end. Emily Rodda, the author, deliberately set out to create books that would entice the more reluctant reader in order to both develop their interest in reading and to extend their reading stamina. These notes apply to the first series, which tells of the attempts to gain the seven missing gems which the Shadow Lord has stolen from the Belt of Deltora. When the Belt is complete, the ruler of Deltora has great power within the land of Deltora. The teacher's notes can be used in several ways. For the first book in the series, 'The Forests of Silence', the notes are teacher-directed as a whole class activity, with teacher read/teacher directed sets of activities. The remaining books in the series could be used in the same way, or they could be used by students individually, in pairs, or in groups. Note that throughout each series the books form a continuous story and it is better to read them in order.

Emily Rodda, the author, deliberately set out to create books that would entice the more reluctant reader in order to both develop their interest in reading and to extend their reading stamina. These notes apply to the second series, which tells of the efforts of the king of Deltora, Lief, to free the Deltorans who have been kept captive by the Shadow Lord in the Shadowlands. The Belt of Deltora has no power outside of Deltora, so Lief will have to depend upon his own abilities when in the Shadowlands. The teacher's notes can be used in several ways. Lief, Barda and Jasmine, searching for the seven lost gems of the magic Belt of Deltora, have almost reached their goal. Six gems now gleam in the Belt, but the last must be found before Deltora can be freed from the tyranny of the evil Shadow Lord. The companions have faced many terrors with strength and courage. Now they are about to meet dark mysteries that strength and courage alone cannot defeat. If they fail, their quest will be lost, and they will remain forever trapped in the swirling mists of the Valley of the Lost.
