"Frost at Christmas" was first published in Great Britain in 1989, but Wingfield had written it years earlier in 1972. The 'Frost' books by Wingfield are: 1. Frost at Christmas (1984) 2. A Touch of Frost (1987) 3. Night Frost (1992) 4. Hard Frost (1995) 5. Winter Frost (1999) 6.

*Frost at Christmas (Inspector Frost, #1) by R.D. Wingfield*

Frost at Christmas (1984) is the first of the series of novels written by R. D. Wingfield, the creator of the character Detective Inspector Jack Frost, who is more famously known in the television series A Touch of Frost, where the character is played by Sir David Jason. This novel was adapted into the TV episode 'Care and Protection', which was also the first in the series.

"Frost at Christmas" is the first book in the police procedural series with Detective Inspector Jack Frost of the Denton Division in England. I did not see the TV series "A Touch Of Frost" so as I read I kept picturing Peter Falk from Columbo. The TV series Columbo had to be more PC than this book though.

The irascible Detective Inspector Jack Frost spends the holiday season searching for a missing child with the help of a dubious psychic and a bumbling new partner. Original.

'Exciting, ingenious, roundly satisfying' – Literary Review Ten days to Christmas. Tracey Uphill, aged eight, hasn't come home from Sunday school. Her mother, a pretty young prostitute, is desperate. Enter Detective Inspector Jack Frost, sloppy, scruffy and insubordinate. He's been assigned a new sidekick, the Chief Constable's nephew Detective Constable Clive Barnard. Fresh to provincial Denton in an oversmart suit, Barnard is an easy target for Frost's withering satire. Assisted and annoyed by Barnard, Frost, complete with a store of tasteless anecdotes to fit every occasion, proceeds with the investigation in typically unorthodox style. After consulting a local witch, Frost finds himself drawn into an unsolved crime from the past. He's risking not only his career, but also his life...

Bah humbug, says Inspector Frost, whose season is soured not only in a search for a missing child, but by his new assistant, Clive Barnard, the boss's nephew. As Frost looks for the girl with the help of a dubious psychic, he finds a long-buried corpse. Then, to make Christmas even bluer, an old unsolved case is reopened. Copyright © Libri GmbH. Ten days to Christmas and Tracey Uphill, aged eight, hasn't come home from Sunday school. It's up to Denton's Detective Inspector Jack Frost to solve the case.

'A funny, frantic, utterly refreshing brew' – Sunday Telegraph Detective Inspector Jack Frost, officially on duty, is nevertheless determined to sneak off to a colleague's leaving party. But first the corpse of a well-known local junkie is found blocking the drain of a Denton public lavatory - and then the daughter of a wealthy businessman is reported missing. And now a wave of crime threatens to submerge sleepy Denton. A robbery occurs at the town's notorious strip joint, the pampered son of a local MP is suspected of a hit-and-run offence and, to top it all, a multiple rapist is on the loose. But the manic Frost manages to assure his superior that all is under control. Now he has only to convince himself...

Frost faces a multiple rapist, poisoned grocery store stock, a self-confessed murderer, and two missing girls.

A Christmas delight, 'Twas the Knife Before Christmas will charm the stockings off readers of Joanne Fluke and Leslie Meier. It's out of the cupcake tin, into the fire for Holly White's best friend, Caroline. Can Holly clear Caroline's name in time to go caroling? When a body turns up in a larger-than-life candy bowl filled with peppermints on the town square, Holly White is horrified to learn her best friend Caroline is the main suspect. Everyone in town, including Mistletoe, Maine's sheriff, saw Caroline fighting with the victim on the night of his death. Worse, a custom kitchen knife, engraved with Caroline's initials was found with him. Now, just ten days before Christmas, Holly's up to her jingle bells in holiday shenanigans and in desperate need of a miracle. Juggling extra shifts at her family's Christmas tree farm and making enough gingerbread jewelry to satisfy the crowd is already more than she can handle?and now she has to find time to clear her best friend of murder. Add in her budding relationship with the sheriff, and a personal stalker dressed as Santa Claus, and Holly's ready to fly south until springtime. But her Sherpa-lined mittens come off when Caroline is taken into custody. Can Holly wrap up the case in time for Christmas...even after she gains the true killer's attention? Find out in 'Twas the Knife Before Christmas, Jacqueline Frost's second pine-scented Christmas Tree Farm mystery.

'Possibly the most accurate picture of police work in crime fiction today... An absolute cracker' – Mike Ripley Denton is having more than its fair share of crime. A serial killer is murdering local prostitutes; a man demolishing his garden shed uncovers a long-buried skeleton; there is an armed robbery at a local minimart and a ram raid at a jewellers. But Detective Inspector Jack Frost's main concern is for the safety of a missing eight-year-old. And soon after another girl is reported missing, her body is found . . . raped and strangled. Then Frost's prime suspect hangs himself in his cell, leaving a note blaming Frost for driving him to suicide. Frost may be coarse, insubordinate and fearless. But he's also in serious trouble.
