A picture book biography that will inspire readers to dance to their own beats!

Singer, dancer, actress, and independent dame, Josephine Baker felt life was a performance. She lived by her own rules and helped to shake up the status quo with wild costumes and a you-can't-tell-me-no attitude that made her famous. She even had a pet leopard in Paris! From

bestselling children's biographer Jonah Winter and two-time Caldecott Honoree Marjorie Priceman comes a story of a woman the stage could barely contain.

Rising from a poor, segregated upbringing, Josephine Baker was able to break through racial barriers with her own sense of flair

and astonishing dance abilities. She was a pillar of steel with a heart of gold—all wrapped up in feathers, sequins, and an infectious rhythm.

A retelling of the Indian legend which explains why the Navajo always plant a scattering of zinnia flowers among their food crops and respect every spider.

From acclaimed author Patricia Hruby Powell comes the story of a landmark civil rights case, told in spare and gorgeous verse. In 1955, in Caroline County, Virginia, amidst segregation and prejudice, injustice and cruelty, two teenagers fell in love. Their life together broke the law, but their determination would change it. Richard and Mildred Loving were at the heart of a Supreme Court case that legalized marriage between races, and a story of the devoted couple

Learn about the civil rights activist Ella Baker in this inspiring picture book from Sibert Honor winner Patricia Hruby Powell and Caldecott Honor winner R. Gregory Christie. "What do you hope to accomplish?" asked Ella Baker's granddaddy when she was still a child. Her mother provided the answer: "Lift as you climb." Long before the civil rights movement of the 1950s and 60s, Ella Baker worked to lift others up by fighting racial injustice and empowering poor African Americans to stand up for their rights. Her dedication and grassroots work in many communities made her a valuable ally for leaders like Dr. Martin Luther King Jr., and she has been ranked as one of the most influential women in the civil rights movement. In the 1960s she worked

to register voters and organize sit-ins, and she became a teacher and mentor to many young activists. Caldecott Honor winner R. Gregory Christie's powerful pictures pair with Patricia Hruby Powell's poignant words to paint a vivid portrait of the fight for the freedom of the human spirit.

With determination and audacity, Josephine Baker exploited her comic and musical abilities to become a worldwide icon of the Jazz Age. *The Many Faces of Josephine Baker: Dancer, Singer, Activist, Spy* provides the first in-depth portrait of this remarkable woman for young adults. Digging beneath the sensationalism usually associated with Baker and her uninhibited dancing, author Peggy Caravantes follows Baker's remarkable life from her childhood in the depths of poverty, to her comedic rise in vaudeville, to fame in Europe, outspoken participation
