Because of God's freedom, we don't need to self-sabotage in order to cope. Because of God's restoration, we can bring healing and restoration to others. As Jada walks you through Galatians, you'll see how the Apostle Paul delivers his very passionate and urgent assurance, helping you understand that once you place faith in Jesus, you are transformed. These study guides, part of a 16-volume set from noted Bible scholar John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are an invaluable tool for Bible Students of all ages.

An urgent letter to the early churches in Asia Minor, Galatians expresses Paul's concern for the spiritual welfare of the early believers. The central doctrine of Christianity was being undermined and confusion was growing as false teachers began to teach that faith in Christ was not enough for salvation. In an earnest attempt to salvage the truth and integrity of the gospel, Paul penned Galatians—a book that would encourage hundreds of generations of Christians to remain steadfast in their faith. While contrasting grace and law, faith and works, Paul defends the theological and practical implications of Christianity and encourages believers—then and now—to live a holy life that bears much fruit. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

A believer once told me how he would gather with a Bible study group and discuss Andrew's Life for Today commentary notes. Many in the group found this method of study to be helpful in their walk with God. So, I decided to put together Discipling Through Galatians, a study guide based on notes from Andrew's Living Commentary and Life for Today Study Bible and Commentary: Galatians, Ephesians, Philippians & Colossians Edition. Also included are questions and an answer key. Whether you're teaching a Sunday school class, leading a small group, discipling an individual, or studying on your own, Discipling Through Galatians is designed for you!

With this volume on Paul's Letter to the Galatians, Dr Bruce Epperly, author of Philippians: A Participatory Study Guide, Finding God in Suffering: A Journey with Job, and Transforming Acts: Acts of the Apostles as a 21st Century Gospel, again brings the study of a Bible book to life for a 21st century audience. Epperly finds his work in the results on modern critical scholarship, but he's not content with reciting scholarship or discussing history. He aims to make the study of this theologically central letter a transformative experience. He does so by never losing sight of the fact that human problems remain human problems and that human potentiality, touched by God's grace, can accomplish great things. He finds a message of liberation in this book. Liberation from our guilt, yes, but also liberation from our self-imposed limitations. Through reading, discussion, exercises, and thought questions, he leads the reader through a study that can only be described as an adventure. It's an adventure you won't want to miss.

In this six-session video Bible study in Galatians, Bible teacher and author Jada Edwards dares to ask and answers with life-application truth: 'Are you living led by the Spirit or lost in this world?'

The New Testament Challenge is designed to help small-group members explore the books of the New Testament in a fresh and new way. In this Bible study (DVD/digital downloads sold separately), participants will learn how the story of God restoring his original creation—which was begun in the Old Testament—reached its crowning moment with the birth of Messiah into the world. Through Jesus' birth, he answered the question once and for all of who God is and what he is like. Through Jesus' teaching, he revealed the deepest meaning of the laws and institutions that God gave to the people of Israel. Through Jesus' death and resurrection, he introduced the life of the age to come into the present age. Group members will also discover how the followers of Jesus formed a new community and invited people from all over the world to join them, and how the Bible looks ahead to the day when Christ will return to renew all of creation and establish God's justice and peace on the earth. Sessions include: Luke–Acts Luke–Acts, 1–2 Thessalonians 1–2 Corinthians, Galatians, Romans Romans, Colossians, Ephesians, Philemon, Philippians, 1 Timothy, Titus, 2 Timothy Matthew Hebrews, James, Mark 1–2 Peter, Jude, John 1–3 John, Revelation Designed for use with The New Testament Challenge Video Study (sold separately).

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Galatians is one of the apostle Paul's most impassioned and eloquent letters. It warns Christians of the dangers of both legalism and lawlessness, while calling them to live lives that are shaped by the gospel. In this study, pastor Geoff Ziegler walks readers through the promises, warnings, and gospel declarations found in Galatians. Both accessible and theologically robust, this study will help Christians find freedom in their identity as God's adopted children.

There's a sacred and hidden path inside each one of us, a path of mysteries and amazing manifestations, where nothing is impossible, not even our wildest spiritual creations. This is the realm of impossibilities, where imagination is carried away by a spiritual insight, which is here referred as the phoenix. The allegory inside this book takes us to a subconscious realm, that can lead us to the most uplifting and unknown side of ourselves, but also to other realities as well, namely, the ones that are parallel to ours, and also other dimensions and galaxies. It is with this allegory of the phoenix that we understand the role of the dragons and serpents of our planet, and how they interfere in the Tao of our existence. As a dance of forces, vibrations of different natures, these symbols and concepts take us to the deepest truth within, of who we are and how far can we go. This is a book about the adventures of our soul, the journey within that so many Shamans live to explore. It's also about a path that all spiritualists and gurus have experienced, a path that some have called nirvana, enlightenment or awaking, but few have ever had the ability to fully describe in a way that can be perceived by the common mortal. The Native Americans have often told us about the spirit of the eagle that keeps guard over the spiritual world. This eagle, or big bird, is representative of another living force, which is the phoenix, the bird of fire. This is why many mystics of ancient times believed that only fire could take souls to another world. The fire purifies the body, but the most potent fire comes from within, as an energy that we burn with our conscious awareness. This is the fire that Buddhists, Taoists and Hindus persist in awakening from within, commonly using disciplines created specifically for this purpose, such as yoga, chikung and meditation. This fire represents the power of our own spirituality, which most people are unaware to possess. As mortals and genetically manipulated slaves of a few alien species, we've lost the physical capability to ignite it. But the phoenix can help us reach it, through the spiritual nature that is within each one of us. The one who can ride the phoenix, can travel very far, to amazing lands. And these are the ones that often come back, when they choose to, as our prophets and religious leaders. This book describes their journey to Valhalla, Heaven, Paradise, or more simply, the Laboratory of God.

Guiding the Church The letter to the Galatian church is a treatise on Paul's interpretation of Jewish law and its relationship to a believer's freedom from sin found in Jesus Christ. Essentially, Paul taught that the transformation received by believers initiated by the work of the Holy Spirit, applying the finished work of Christ to a person's life, was the only action needed to secure and complete one's salvation.
