~~PRETEND YOU'RE MINE was one of those books that took me completely by surprise. I picked it up as part of the Kindle Unlimited trial, intrigued by the blurb. What I got was a engaging, funny and emotional read with characters I just couldn't step away from. Harper was one of those heroine's you wish was your best friend.~~

Pretend You're Mine by Lucy Score - Goodreads

Pretend You're Mine is a great friends to lovers story. The characters are hugely likeable and it's easy to relate to them and their feelings. It's angsty, romantic and funny, and so very hot. Ryan's brother Dean features heavily and is such a character. He's rather cocky and I can't wait to read what Ms Kaswell has in store for him.
