A book over twenty years in the making, The Outer Banks Gazetteer is a comprehensive reference guide to the region's place names—over 3,000 entries in all. Along the way, Roger L. Going beyond simply recounting the facts behind the names, Payne offers information-packed and entertainingly written stories of North Carolina, its coastal geography, and its people. Perfect for anyone interested in the North Carolina coast, this invaluable reference guide uncovers the history of one of the most-visited areas in the Southeast.
