For example, an APA style journal article critique is different from that of MLA style, and it is better to follow the correct formatting right away than to rearrange the typed text later. As a rule, the critique is required to have double spacing, Times New Roman font sized 12, and the use of subsections is

If a journal article has a DOI, include the DOI in

Where To Download

the reference. Always include the issue number for a journal article. If the journal article does not have a DOI and is from an academic research database, end the reference after the page range (for an explanation of why, see the database information page). The reference in this case is the same as for a print journal article.
