One of the hinges on my Samsung multifunction printer (SCX-4623F) broke. That renders the document feeder useless (it sits crookedly on the platen). So, no more convenient multi-page copying or scanning. I was going to buy a new printer, but after some manual-reading and Internet-searching, I found the part number for the original hinge.

The driver is a language' button, tablets, Scan.

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Cinematic experience - Watch in vibrant 4K Ultra HD with support for Dolby Vision, HDR, and HDR10+. Home theater audio with Dolby Atmos - Feel scenes come to life with support for immersive Dolby

A Naval pilot, a one night stand and years later a second chance, can they make it work this time? Pharmacological student, Ayanna Barker, was working hard to give her and her son a good life. Sure, things were tight, but it was all worth it. The man who had given her her child has also given her the best night of her life...and she had never forgotten him. US Navy pilot Lieutenant Michael Taylor loved the rush his job gave him but even that took a back seat to how he felt about the lovely Ayanna Barker, but circumstances keep them apart. Four years later Michael sees her at a different military institution. Ayanna is more beautiful than his vivid memories had recalled her to be, but now she has a child...she has his child. Determined to be a part of her life, and his son's, Michael moves them into his home and marries her. Each day reawakened emotions burn hotter and hotter as they try and keep things under control. But can Michael and Ayanna realise what they share is so much more than just a marriage of convenience?

ARCHIE 3000 is the complete collection featuring the classic series. This is presented in the new higher-end format of Archie Comics Presents, which offers 200+ pages at a value while taking a design cue from successful all-ages graphic novels. Travel to the 31st Century with Archie and his friends! In the year 3000, Riverdale is home to hoverboards, intergalactic travel, alien life and everyone's favorite space case, Archie! Follow the gang as they encounter detention robots, teleporters, wacky fashion trends and much more. Will the teens of the future get in as much trouble as the ones from our time?

Forced by her cruel father to wed his most despised enemy, the debauched Earl of Whitby, Lady Noelle Rivers is determined not to allow her spouse to win her love, much less her virtue

(Book). Spice up your playing with The Guitar Cookbook ! Written by Guitar Player magazine music editor Jesse Gress, this collection of "recipes" for satisfying a wide variety of musical appetites is for beginning to advanced guitarists. It covers all the ingredients for cooking up great music on the guitar: music notation, tuning, intonation, rhythm, melody, scales, motifs, harmony, ear-training, technique, improvisation and much more. Players will develop a personalized musical vocabulary; learn how to apply it to many different styles; master basic guitar techniques; and let the musical ideas sizzle!
