The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

The Middle East conflict originated, literally, in the womb of a beautiful woman—Rebekah, Isaac's wife. Her 'struggling' twins, from their mother's womb, have often engaged in a love/hate embrace, scorching their lands with periodic eruptions of bloody conflicts. Their descendants, though gradually lost their identity, have spread their struggle for 'the global inheritance' into Europe, the Americas, and elsewhere. The march of Islam, of Muhammad, "the man of the sword"; the present Jew/arab conflict; the Persian Gulf menace; fanatic Islamic world terrorism and their main target—the West—are a direct result of the twins' struggle, which begun while in their mother's womb. Human history and its future can't be fully comprehended without correct understanding of the roots and turbulent history of the struggling twins. You, the reader, are destined, regardless of your ethnic background and religion, to soon experience the final consequences and glorious triumph of this age-long bloody conflict. Through the pages of this work the author takes you on a fascinating journey of the Biblical and historic records, which faithfully traced the stormy blazing trails of 'the struggling twins,' from the inception of the conflict to its glorious 'final solution.'

Princess Teia, daughter of Judah's last king, begins a harrowing journey after she's rescued by the Prophet Jeremiah from the burning city of Jerusalem. They flee to Egypt, where amid Teia's efforts to cope with devastating loss comes an unexpected awakening of her heart when she meets Eochaid, a foreign prince. The two young nobles fall in love, but are soon forced to part and follow their preordained destinies of ruling separate nations. Against the backdrop of daring escapes on land and sea, raging sword battles, and deadly sorcerers, an emotional journey ensues across multiple continents for both Teia and Eochaid. All the while they're unaware that God's steady hand guides their paths as part of his plan to restore Judah's everlasting throne—as symbolized by the sacred stone that Israel's patriarch Jacob once used as a pillow in the wilderness. Keywords: Adventure, Romance, Inspirational, Biblical, Christian, Historical, Fiction, Religious, Fantasy, Series

This book is about the possible 1000 year time period of Christ's rule with His saints, also referred to as the "Messianic Age."
