In 1950, a European political space existed, but only as a very limited site of international governance; today, the European Union governs in an ever-growing number of policy domains. This book provides an eye-opening account of the development of the European Union, from a relatively specialized assembly of economic cooperation to the complex entity that governs today.

The Institutionalization of Europe

This book examines the progress of institutionalisation of evaluation in European countries from various perspectives. . It describes both prior developments and current states of evaluation in 16 European countries and across the European Union (EU), focussing on three dimensions, namely the political, social and professional systems.

The Institutionalisation of Evaluation in Europe ...

In the political economy of European welfare states, both the Bismarckian and Beveridgean types of pension systems were used for similar purposes, such as for the institutionalization of retirement and the management of the labor market. In many ways, however, their institutional patterns remained distinct, and there was further differentiation as the Scandinavian countries parted ways with the Anglo-Saxon ones.

The Institutionalization of Europe - Alec Stone Sweet ...

To assess the degree of institutionalization in family firms in Europe, we asked 121 family firms to participate in a survey that investigated six key attributes of institutionalization. The dataset reveals two distinct groups: "Ascendants" (1st or 2nd generation family firms) and "Champions" (firms in the 3rd or 4th generation or older).
