~~The Omega Conspiracy –~~

The premise of "The Omega Conspiracy" is so outlandish as to not be considered seriously, until one begins to do a bit of research into humanity's ancient past. Whether one believes in a grand conspiracy, or not, the subject is a thought-provoking look into a subject much maligned until the turn of the 21st century.

Being an omega had never been a problem for Magnus. Well, at least not in the last 150 years or so. In his youth his father Asmodeus had used his alpha voice on him. It had taken him decades to break free from his control and only the help of alphas like Ragnor made it even possible to deliver him out of his fathers claws.

Do we ever learn from history? What were the conditions on the Earth that resulted in its destruction except for Noah and his family? What are the conditions on the Earth today? Will history repeat itself in our time? I.D.E. Thomas reveals startling similarities between the past and today; between ancient peoples and modern peoples, signs that point to a return of mysterious beings known in the Bible as "Nephilim". The Omega Conspiracy could well be their final battle.

A supposedly "Fiction" Global Conspiracy Thriller that is Unnervingly Veiled in Historical Truth. What happens when a rogue faction within a global shadow group charged with protecting humanity from itself suddenly threatens to incite a cataclysmic event like the world has never seen? Ivan Porborsky was only a boy when he became his family's sole Holocaust survivor. Left alone to cope with the devastation of such a loss he dedicated his life and ensuing wealth to help the world learn from its past mistakes in hopes of never repeating them. The science behind his work paved the way for the creation of OMEGA, a global shadow government that has been influencing world events behind the scenes for decades. The Omega group was charged with steering society away from self-destruction. When a rogue group within Omega attempts a coup in the hopes of setting off a false flag event that will forever change society and consolidate even more power, Ivan must figure out who is behind the plot in time to stop it or risk having his life's mission turn into a catalyst for the biggest catastrophe in history. Download: Noble Origins (Episode One of The Omega Conspiracy) while it remains at a discounted price. WHO WILL ENJOY THIS BOOK? Conspiracy Fiction Fans People who Like Shadow Government Plots Readers interested in False Flag Events Readers who enjoy suspense deeply rooted in the real world and a lot more.

The Action Picks Up Even More in Episode Two of the Omega Conspiracy Arthur Porborsky finds himself suddenly thrown into a race against time, charged with uncovering and stopping a global conspiracy of epic proportions all while trying to carry on his mentor's memory and avenge his death. The odds are stacked against him as his only lead, is nothing but a longshot and a man he's never met, Max Bromley. Max is an ex-government investigator whose reputation was ruined during his failed 911

probe. That disgrace spiraled Max's life out of control, and he has only recently started putting the pieces back together. He has no idea fate is about to pull him back into the very investigation that ruined his life. Meanwhile, when Aria Wolff, a member of Isreal's elite special forces is forcefully drafted into a multi-national team of ghost fighters whose identity are so secret no country will acknowledge their existence. Her team may be the only thing standing between the terrorists and their plot.

In 1936 and at just seventeen years old, Yusuf Abbas murders two desert travelers for their camels and worldly goods. In 1950 - and now calling himself Sheikh Yusuf Abbas - he murders a British Ambassador and the members of a British oil exploration company. Shortly afterwards, when a neighbouring Sheikh and his family are poisoned, he merges their lands to create the Sabba Oil empire. On the other side of the world, Richard Neilson, a sickly 14 year old is devastated when his beloved father (whilst working in Egypt) is decapitated murdered by Arab fanatics. He vows to avenge his death. Two years later, and having thrown himself into a gruelling fitness regime, he enlists in the army and eventually wins selection into the SAS. Najeeb Abbas (Yusuf's son) is a malevolent, unremorseful psychopath who, upon leaving Cambridge University with a degree in nuclear physics, persuades his father to fund a desert research facility to tackle global warming. But beneath the facade, his intentions are much darker and the consequences of his actions prove fatal for his remorseful father and potentially devastating for the Gulf of Mexico and Canadian Cantrell's oilfields. Fate throws these two polar opposite lives together, and once again Richard's family is threatened by Abbas's deep-rooted intentions to destroy. Will he succeed? Or will Richard finally get the revenge, he's spent most of his life planning? Discover for yourself in this dark, gritty and electrifying world of Al-Qaeda, terrorist conspiracies, SAS heroes, MI6 agents, suicide bombings, assassination plans and desert ops - where revenge stops at

After the appearance of three corpses in the waters of the Adriatic Sea, the Greek Government discovers that the United States has CIA agents within national territory. As a result of the first inquiries, and after the mystery unleashed by the corpses, a special agent is sent to dig into the facts with the cooperation of the Greek Secret Service. As the investigations progress, the protagonists steps are led to a tiny island where they discover one of the best-kept major secrets of all times. This story, thanks to its profound human theme, will delight you from beginning to end.

The first middle grade novel in an exciting new series from acclaimed author Diana Peterfreund, perfect for fans of *The Goonies* and *The City of Ember*. Gillian Seagret doesn't listen to people who say her father's a crackpot. His conspiracy theories about the lost technology of Cold War–era rocket scientist Dr. Aloysius Underberg may have cost him his job and forced them to move to the middle of nowhere, but Gillian knows he's right and plans to prove it. When she discovers a missing page from Dr. Underberg's diary in her father's mess of an office, she thinks she's found a big piece of the puzzle—a space-themed riddle promising to lead to Dr. Underberg's greatest invention. Enlisting the help of her skeptical younger brother, Eric, her best friend, Savannah, and Howard, their NASA-obsessed schoolmate, Gillian sets off on a journey into the ruins of Omega City, a vast doomsday bunker deep inside the earth,. But they aren't alone inside its dark and flooded halls. For while Gillian wants to save her dad's reputation by bringing Dr. Underberg's secrets to light, there are others who will stop at nothing to make sure they stay buried . . . forever.
