The Web of Deceit describes the staggering gulf that has arisen between New Labour's professed commitment to upholding ethical values and the reality of current policies. It outlines the new phase in global intervention, the immorality of British policy in Afghanistan, Kosovo, Iraq and Indonesia and support for repressive governments in Israel, Russia, Turkey and Saudi Arabia.

Web of Deceit is a short story in the world of Gin Blanco, aka The Spider. Based in the past, this story is told from Fletcher Lane's POV as he watches Gin's first solo mission from the shadows. Face-to-face with a drug dealer and human trafficker, Gin completes her mission even though it goes a tad off-kilter.
